

PROVINCETOWN

Community Support

Our Provincetown Community Support Liaison works with residents to address issues that affect health, housing, and self-sufficiency. Our liaison can assist in determining the resources available to meet the unique circumstances and needs of each person who seeks help.

Our Community Support Liaison can help you:

- Identify, set, and achieve goals to help stabilize your situation
- Apply for fuel assistance, reduced utility rates, SNAP, housing programs, emergency financial assistance and other support
- Develop and manage a budget
- Connect to mental health and substance use services
- Link to other programs, agencies, and nonprofits to provide you with additional resources.
